

Pi Legal Consultancy

Pi Legal Consultancy is an [international law firm in Turkey](#) based in Ankara that offers high quality cross-border legal solutions in Turkey and beyond. We have offices in Istanbul and in some major Turkish cities. We also work with competent professionals around the world to deliver seamless services to our personal and corporate clients.

With our dynamic and multilingual team of lawyers and experts holding advanced degrees and extensive experience in their areas of expertise, we are committed to providing reliable and to-the-point guidance as well as practical solutions in today's volatile political and economic landscape of fast changing regulatory environment.

Our clients value our multidisciplinary approach, innovative methods, in-depth knowledge and fresh thinking, and we aim for the best results for them. Trust is of essence in our relations with our clients. We always try to do the right thing, to be honest, plain speaking and steadfast in our core values: integrity, diversity, excellence and client focus.

In this context, we deliver legal services in key areas, including corporate governance, banking and finance, administrative and commercial cases, mergers&acquisitions, energy and mining. You can click "Practice Areas" in order to access all our fields of work. Our lawyers provide the best possible advice to clients from various business and financing sectors to achieve their commercial aims. We also provide guidance and professional support in the creation and execution of the legal infrastructure of large-scale foreign investment projects.

In addition to our English, French and German speaking lawyers, we have recently added to our team of experts Spanish, Arabic, Persian and Russian speakers who can prepare all required communication, correspondence and documentation in all these languages.

Our Mission

We have three offices based in İstanbul, Ankara and Batman. We also enjoy solution partners and [lawyers](#) located in most European Countries, Africa, Canada and United States of America. We offer **legal consultancy** and advocacy in key legal areas, among others, international trade, investment, citizenship, healthcare, real estate, corporate governance, banking and finance.

Our firm consists of qualified experts, experienced lawyers and solicitors having very high level of knowledge and skills on legal matters and their cutting-edge solutions.
